Dear Mr. Hedberg:

Mr. Hank Gonzales submitted the attached Notice. This is an expansion of the operation he began in September of 1988. Our file number for this operation is UTU-66868. Our records do not indicate if Utah Division of Oil, Gas and Mining has assigned this operation a reference number.

In the past, Mr. Gonzales has been hand levering the picture stone off of the outcrops. He is now proposing to use a backhoe to loosen the rock, but is not proposing any large disturbances.

If you have any questions, please contact Larry Gore at this office.

Sincerely,

Debbie J. Pietrzak
